Tournament Promotions

1

ONE HAND, ONE HUNDRED GRAND!

Up the ante at your next blackjack or poker tournament with a big dollar bonus hand! At the conclusion of the tournament, give your top finisher the chance to double, triple or even quadruple their prize winnings with a single hand of blackjack! If they're dealt a 21, they'll score a bonus, and Odds On will write the check!

2

THE MILLION DOLLAR ROLL

Here's an unbelievable bonus offer for any Table Games tournament! Give your top finishers the chance to win \$1,000,000 with a quick roll of the dice! If one of your contestants can roll a winning combination of letters (M-I-L-L-I-O-N, W-I-N-N-E-R, etc.) or logos on our customized 1", 4", 8" or 16" dice, they'll win the big bucks, and Odds On will pick up the tab. Award bonus prizes based upon how many letters or logos your finalists roll.

3

SCORE BONUS BUCKS

Give any player the chance to score a big bonus based upon where they place in each round of play or during a series of weekly, monthly or quarterly tournaments. If a lucky player can place in the top few places during your selected tournaments or rounds of play, Odds On will reward them with your grand prize, up to \$1,000,000.

4

MYSTERY MILLIONAIRE

Imagine this offer on your next tournament invitation: You could be our Mystery Millionaire! You'll provide Odds On with a list of your participating players assigning each a lucky number, and Odds On will preselect a "mystery millionaire". At the conclusion of your event, if the first place finisher's number matches Odds On's preselected "mystery number", they'll win the big dollars, and Odds On will pay for the prize! Want to keep this one super affordable? Select a series of "Mystery Players" from your entire database, and if a player with a matching number wins your event, they'll score the big bucks, and Odds On will write the check.

5

THE BIG REWARD GAME BOARD

Give randomly selected tournament players the chance to score cash and prizes throughout your tournament with a custom game board promotion that matches your tournament theme. If a lucky player can select a winning combination of envelopes from the board, they'll win your grand prize, and Odds On Promotions will pick up the tab. Ideal for Poker and Video poker events!
